15.6" TOUCH SCREEN

APOS-05
A TRUE COMPLETE
ALL-IN-ONE POS SOLUTION

Refined POS Terminal For Small to Medium Size Business Applications

The Optima APOS-05® is a true All-In-One POS Terminal equipped with a large 15.6" Touch Screen making it a great choice for medium and large commercial applications such as supermarkets, larger restaurants and retailers! The Optima APOS-05® features a Rockchip Processor, and large 10.1" color customer display, 3 1/8" Thermal Receipt Printer with fast paper roll replacement & Auto Cutter, Bluetooth, and WIFI.

POS Software with NO Monthly Fees!

Buy it once and own it forever! Let's face it, businesses are often offered free basic point of sale systems, but in the end, get slapped with unanticipated monthly or hidden fees. Optima APOS offers full featured POS system for a one time purchase with lifetime updates included and no monthly fees that will instantly help improve your cash flow and long term savings.

MADE IN CANADA

Boost business with Advertisements!

The 10.1" customer display allows you to display all of the transaction details and advertisements at the same time! This allows you to encourage purchases and boost sales!

Accept a wide range of payment options

Thanks to our integration to Datacap the APOS series integrates to every major processor in North America. In addition to major processors, Datacap also supports 1,000's of ISOs and merchant service providers.
